

**ADDENDUM 1  
TO PLANS AND SPECIFICATIONS FOR THE  
OLTHOFF DRIVE ROADWAY EXTENSION**

**ISSUED:** November 14, 2022

HRC Job No. 20210307

This Addendum is issued prior to receipt of bids to provide for certain changes and clarifications to the Specifications and/or the Drawings, as herein specified, and is hereby made a part of the Contract Documents and shall be taken into consideration in preparing the Proposal. All other conditions remain the same.

Receipt of this addendum must be noted in the place provided on the Bid Form and dated November 14, 2022.

**ADDENDUM:**

**PLAN SHEETS:**

1. The Cover Sheet was replaced, as the sheet was sized 11"x17" instead of 34"x36" like the rest of the plans.
2. Many plan sheets contained yellow comments. This was due to a translation between different pdf viewers. The sheets were reprinted to remove any yellow comments.

**SPECIFICATIONS:**

1. In reference to the mention of Right-Of-Way Permitting in section 010000, Olthoff Drive is under the jurisdiction of the City of Muskegon and no permit will be required. If any work is done in the DeBaker Road Right-Of-Way, permits may be required as this is under the jurisdiction of the Muskegon County Road Commission.
2. Hydrants will be provided by the City of Muskegon, along with water main and gaskets. An order sheet for the hydrants is attached. Similar to the order sheet for the water main and gaskets, the hydrant order sheet shall be used as a checklist to ensure proper chain of custody of materials.
